Review: Talberts commentary does contain some helpful cultural and theological analysis. For example, when examining Romans 1:1 and the New Testament passages that reference slaves, Talbert writes: When he [Paul] exhorts slaves who have become Christians and have a possibility of obtaining their freedom to remain in the calling to which they have been called,...

Description: Romans was written to deal with the particular historical problem of the relations between Jewish and Gentile Christians in Rome. The function of Pauls gospel was to unify these two, while its content was a theology that placed Jew and Gentile on an equal footing, both in their sin and in their salvation. Sometimes a modern situation corresponds to...
